

## REMARKS

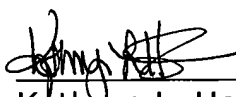

This is meant to be a complete response to the Office Action mailed January 27, 2006. In the Office Action, the Examiner stated the application contains claims directed to the following patentably distinct species of the claimed invention:

- |               |   |
|---------------|---|
| Species - I:  | As represented by claims 1-9 and 22-28<br>(ultra bright material and method).                             |
| Species - IA: | As represented by claims 1-8 and 22-28<br>(ultra bright material cut into elongated portions and method). |
| Species - IB: | As represented by claims 1-7, 9 and 22-28<br>(ultra bright material cut into small pieces and method)     |
| Species - II: | As represented by claims 10-21 and 29-40  |

Applicant respectfully elects Species II, and claims 10-21 and 29-40 readable thereon.

Should the Examiner have any questions regarding this Response, Applicant's representative would welcome the opportunity to discuss the same with the Examiner.

Respectfully submitted,

---
